TO ASSIST WITH HEARING SCREENINGS

Imagine having a hearing problem and you need to communicate in a foreign language?

Here are some suggested phrases that can be used while performing a hearing screening test. By overcoming the language barrier and assisting your patient in a native language, it can ease examinations and at least defeat one of the difficulties your patient may experience.

FRENCH PHRASES

Hello, I am going to test your hearing today.

 *Bonjour, je vais tester votre audition aujourd'hui*

Listen for the beeps.

 *Écoutez les bips.*

When you hear the beep, raise your hand.

 *Lorsque vous entendez le bip, levez la main.*

When you don't hear a beep, keep your hand down.

 *Lorsque vous n'entendez pas de bip, gardez votre main baissée.*

Thanks, we are all done.

 *Merci, nous avons tous terminé.*

Well done!

 *Bravo!*

Let's try it again.

 *Essayons à nouveau.*
